

PCL TEEN SUMMER EVENTS Calendar

House Meetings: A weekly Summer Reading Program council where points are tallied, alliances are formed, and challenges are declared. This is your chance to meet the other members of your Lybreria House and work on your strategy for the week to come. Stick around afterward for our weekly Teen Programs!

Teen Hangout: A free-for-all get together with games, drawing, and some fun cartoons.

Teen Game Club: We'll be digging into the library's collection of board, card, and video games.

Teen Sketch Club: A time to draw and doodle (regardless of skill level) as well as have fun chatting about comics, games, and whatever you're into.

Teen Creator Space: Mashing up low and high tech methods, you can draw, code, 3D design, write, craft...whatever you're into!

Cyber Tag: Come out for a few rounds of friendly laser tag with fellow library folks.

Rockin' Crafts: Come by to make some fun music themed crafts, from silk screening a poster to creating fun band buttons.

Mr. Bond's Science Guys: An afternoon of hands-on science fun and excitement!

Movie Pizza Party: We'll be watching "School of Rock" and chowing down on some slices.

Teen Summer Book Club Meetings: Join us to talk about one (or both) of our Summer 2018 Teen Book Club picks. "Holes" by Louis Sachar will be from 1-2pm, and J.R.R. Tolkien's "The Hobbit" will be from 2-3pm. Each session will include discussion time and a book themed activity.

End of SRP Party: It's time to finish another fun Summer Reading Program, and what better way than a wrap party at The Sk8?! Come by for some skating fun, free to all SRP participants.

Be sure to ask at the Front Desk about our Summer Reading incentive program!
